ISA Expo 2006 – Houston – 17th – 19th October 2006

The Instrumentation Signpost - Read-out.net continues its custom of providing a preview page for the next ISA Conference and Exhibition.

This may be found at <http://read-out.net/isa> - this also includes links to the previous shows we have covered.

Exhibitors should submit a short submission possibly including a suitable jpeg or gif of product or company logo – the picture/logo may or may not be used.

Please also include your web URL so we may link to your site.

There is a limited possibility for advertising – 2 spaces available at \$130.00 and one at \$175.00. (Cheques acceptable). These adverts will remain on the ISA EXPO 2006 page for life.

Items may be submitted by email or post (not fax).
