

Networking Opportunities in the Engineering Industry TOPIC – Working Internationally

Monday 21st June 2010: Rochestown Park Hotel, Cork @ 7.30pm

Complimentary Networking Evening for people that have been working in the Engineering Industry over the last number of years throughout Ireland.

During the 1st half of the evening there will be five presentations lasting about 7 minutes each with plenty of time for your questions. The objective is to give valuable informative & practical hints on Working & Communicating Internationally, During the 2nd half of the evening there will be complimentary refreshments allowing you time to catch up with friends throughout our industry and there will be ample time to ask the presenters more questions.

Topic / Area	Presenting Company
The Netherlands / Singapore	DPS Engineering Ltd.
China	Life Science Consultants
UK / USA / Saudi Arabia	Jacobs Engineering Group
Poland / Russia / Bulgaria	Project Management Group
Networking with LinkedIn & Skype	ISA Ireland Section

Our presentation is aimed at giving people information on engineering activities / opportunities around the globe and allowing them to have one on one conversation with people experienced in travelling and using modern electronic communications technology.

After the initial presentation, the presenters from the listed companies will be sitting at tables in different parts of the room. They will be available to speak to individuals giving the benefit of their experience. It will give you the opportunity to ask questions on a one to one personal basis.

This event is Free - You can help us with estimating final attendee numbers by confirming your attendance by email. But please attend even if you don't have time to confirm.
